

# Ready for the freedom of business ownership?

START YOUR OWN FIRM WITH PADGETT

Padgett

“All of these things, to me, had a value that was so much larger than the unknown of walking into an empty shell and creating my own unique identity. I don’t feel like I lost any of my own identity. I feel like it allowed me to expand my identity, of who I was, because all of these other base level things were already taken care of.”

Janet Kaup  
Owner, Padgett Gainesville

#### What’s next?

Let us show you that with our support, you’ll have more time, energy, and money to devote to what you care about most: your business and your clients.

#### THE PADGETT ENTREPRENEUR NETWORK

# We understand that starting a business can be a lot of work.

**That’s why we’ve spent more than 50 years developing a proven system to help business owners like you.**

**Networks like ours empower employees to become business owners.\***

**Padgett supports thousands of small businesses throughout North America through hundreds of independently owned offices.**

\*Nearly 1/3 of entrepreneurs who responded to an International Franchise Association survey said they would not be able to own a business without the franchise network.

## THE BENEFITS OF OUR NETWORK

World-class leadership and business coaching

Staff recruiting assistance

Marketing services

National buying power

Guidance on pricing and services

Professional, recognizable brand

Community support

Advocacy – staying current and ahead of the game

Ongoing education and training for owners and employees

We're intently focused on our offices' and clients' success.

Padgett is a network of modern, forward-thinking firms that offer tax, accounting, payroll and advisory services to individuals and small businesses. Since Walter Padgett founded the company in 1965, our mission has been simple: help business owners focus on what they do best, while we do what we do best.

## AM I A GOOD FIT?

**You're entrepreneurial.**

You're always looking for new opportunities to improve. You're flexible and not afraid to try something new.

**You're a good leader.**

You're independent, yet coachable. You're self-motivated and can motivate others.

**You're familiar with the accounting industry.**

Maybe you already own a practice, or maybe you're working as a staff accountant for someone else.

**You're customer-focused.**

You have a passion for helping clients with their finances.

**You're ready for more freedom.**

You like the idea of being your own boss. You want to have more control over when, where, how and with whom you work.
